

## Parent Social Volleyball League

Do you like to talk?  
Do you like to move?  
Do you like sportsmanship?  
Do you generally have aches and pains just because?

Then you're in perfect condition to be a part of the St. Joe's Parent Volleyball Social League. If you're finding Saturday nights are rolling right past you with no camaraderie, no exercise, or no excitement, then join the Social League! Don't worry about any underdeveloped set of skills; the purpose of this league is to get us parents moving and meeting. It's all for fun.
