Welcome to St Joe's Athletics!!!

Athletics for the Parish and School Families
of 5th – 8th graders at St Joseph Wauwatosa

St. Joseph Catholic School

Athletic Association

Wauwatosa, Wis.

The **Saint Joseph Athletic Association** was created to organize, support and encourage athletic programs for parish members, supported financially by members of the parish and revenue generated by League games, Tournaments, and other Athletic Board sponsored events. The Association also defines and develops policies for the athletic program and activity center; all within the guidelines of the Archdiocese of Milwaukee.

The Athletic Association fulfills its mission by:

- Fostering Christian behavior and growth through athletic participation
- Keeping the Pastor, School Principal and Association members informed in activities and maintaining open communication channels
- Creating parental involvement, that promotes community and a sense of ownership in the program for all our parish members
- Recruiting, educating, and assisting coaches that will provide our participants with an experience consistent with our philosophy
- Emphasizing good sportsmanship and teamwork
- Finance Athletic Association programs via fees, admissions, concessions and fundraisers
- Oversee the maintenance and improvements to the Activity Center
