Please take a look at the respective time slots for each of our proposed meets and let us know your best guess as to whether or not your athlete will be available. This is strictly for planning purposes. Place an X in the respective box. We realize things change. Please keep us informed as they do.

Parents, please consider the Volunteer times as well. We need anywhere from 2 to 10 volunteers per meet, with the exception of the last meet where we are the hosts and we will need 30+ volunteers. We will schedule volunteers as early as possible.
